

31st Annual Brain Impairment Conference: *Brain Impairment and Ageing*

1 – 3 May 2008 – Melbourne, Australia

The Australian Society for the Study of Brain Impairment (ASSBI) is proud to announce that the 31st Annual Conference will be held in Melbourne at the Hilton on the Park from Thursday 1 to Saturday 3 May 2008.

The special theme for this conference is Brain Impairment and Ageing (a range of other topics will be included).

Invited overseas speakers are Prof John Hodges (UK/NSW), Dr Peter Nestor (UK), Prof Donald Stuss (Canada). Invited Australian speakers are Prof David Ames, Dr Mike Bird, Prof Glenda Haliday, Ms Elizabeth Rand, Prof Elsdon Storey, A/Prof Kaarin Anstey, Prof Helen Chenery, A/Prof Glynda Kinsella, Dr Dina LoGuidice, Ms Liz Mullaly, A/Prof Nancy Pachana, A/Prof Christopher Rowe and Dr David Williams.

Four workshops will be held on Thursday followed by two days of papers. Other highlights include the Bayside Health Cocktail Party and the Conference Dinner at Zio's Ristorante.
